Heather Black, Kate Cope, Rhian Roberts, Beryl Jones, and Catherine Williams from the Llanegryn Hall Committee were welcomed to the meeting.

It was discussed how they must update the constitution of the Hall, as this had not been done since 1959, and new trustees were needed. It was explained that they are a Management Committee, and that the Community Council is the body that oversees everything. It was confirmed that they

did not see the need to change the insurance policy. It was noted that there was a need for clarity regarding the situation, and contact with the Charity Commission. It would also be necessary to appoint one Councilor from the Council on the Hall Committee. The Clerk promised to try to investigate this more, and contact Heather Black. The representatives were thanked for attending, and they left the meeting.

Correspondence and the kind offer from Elaine Anikey to put a bench there were noted, and all were very grateful for this. The Clerk would respond further saying that the order could be made when convenient, and give the plaque as she wished.

It was noted that some landscaping work was needed on the site, including placing flowers etc., and that it would be a good idea to invite Kathleen to the next meeting, as she has expertise that could help us.

Following discussion, Cllr Eurgain Davies' proposal was agreed and seconded by Cllr William Davies to follow Gwynedd Council's current rates with the costs of burying dust etc. in the Memorial Garden for the future. (distributed for everyone's information).
